Welcome to the Winter Spring 2019 Catalog! Artistic expression abounds when you take a class at Davis Arts Center.

Like many of you, I am learning to slow down and be more mindful. Reading the Campus Community Book Project book, “The Book of Joy: Lasting Happiness in a Changing World” by the Dalai Lama, Desmond Tutu, and Douglas Abrams has given me new tools from both the Dalai Lama and Archbishop Desmond Tutu to bring mindfulness practice into my life.

Sometimes it feels difficult to fit a class into your schedule, but the practice of art can in itself can be a practice of mindfulness. The power of touching the earth through clay, moving our bodies through dance or observing the interaction of pigments on paper can all slow us down. Slowing down to focus, be it the moment our lungs expand in a deep breath or the fading reverberation of a thunderous applause in the atrium, living in the moment can be renewing and dare I say, fun.

In addition to mindfulness, we will be bringing more fun and more art to our community through a National Endowment for the Arts grant. The grant will allow us to continue both the Petite Studio and our partnership with First 5 Yolo in 2019. Watch for more details as the program once again begins in 2019. We are excited to bring art experiences to the youngest in our community.

Thank you for being part of Davis Arts Center in 2019.

Teach Another Language to Kids

Three language options: American Sign Language, French, Spanish!

Give your child the gift of a second language from an early age! Through games, songs, art projects, stories and plays, TALK classes provide daily language exposure for children in Kindergarten through 6th grade in French or Spanish, and Kindergarten through 8th grade for American Sign Language (Grades 7-8 are available at St. James).

Classes are offered on-site for children attending Birch Lane, Korematsu, North Davis, Patwin, Pioneer and Saint James Elementary Schools. Children may also attend classes at the Davis Arts Center or Saint James School, after which North Davis Elementary students are walked to school with a teacher.

Winter/Spring session is a continuation of classes from Fall semester, however, new students are welcome.

Minimum class size is 6, maximum is 10. Classes may be cancelled or combined due to low enrollment. Classes generally follow the Davis Joint Unified School District calendar (as well as the Saint James calendar for ASL at that site), and do not meet on school holidays.

Class fees are due in full by the first day of class; refunds will be provided through the second week of class. Limited scholarships are available, and Winter/Spring scholarship applications must be received by January 24. Parents must re-apply for scholarships each semester.

TALK is a non-profit community organization run by parent volunteers since 1992. Check out our webpage at <http://groups.dcn.org/talk>, or see our blog at <http://talkdavis.blogspot.com/>

If you have questions, please contact the Site Representative listed below of the location where you would like to enroll your child or e-mail us at TALKprogram@hotmail.com.

You may register for Davis Arts Center classes in the following ways:

1. Register in person at 1919 F Street.
2. Register online at davisartscenter.org/education
3. Mail a completed registration form (found on the back of this catalog) to Davis Arts Center, PO Box 4340, Davis CA 95617.
4. Fax the completed registration form with credit card information to (530) 756-3041.
5. Call (530) 756-4100 to register by telephone. We accept most credit cards, including Discover, MasterCard, Visa and American Express.

All registrations are considered confirmed when payment is received. You will not receive further confirmation. Therefore, it is your responsibility to record all personal registration information to ensure attendance on the correct date and time. You will be notified by phone or by email if a class for which you have registered is postponed or cancelled.

Registration Policies Late Fees

Davis Arts Center fees are due in full at the time of registration. Students may not participate unless all fees have been paid. Instructors cannot be paid if fees are outstanding, so please be courteous to your instructor and to Arts Center staff by paying for classes at the start of each session. **A \$5 administration fee will be charged for each class registration received more than 7 days after the first day of the class.**

Cancellations

We urge you to register at least 1 week before the beginning of a class session, since minimum enrollment must be met for classes to be held. When enrollment is below the minimum 5 days prior to the first day of class, there is a strong possibility that the class will be cancelled. We will make every effort to contact registered students in a timely manner if cancellation occurs. If a class is cancelled by the instructor registrants will receive a full refund.

Wait Lists

Once an instructor's maximum enrollment is reached, names will be placed on a wait list and students will be notified if an opening occurs. Contact the Davis Arts Center office to be added to a wait list.

Refund Policy

All refunds due to student withdrawal are subject to a \$5.00 administration fee. Please be certain that you are able to attend before registering for a class. **Registrations are considered final 14 business days before the first class, and no refunds will be given after this time.** Davis Arts Center does not pro-rate fees. Exceptions to this policy may be granted only in cases of documented family or medical emergency (see front office staff). Materials fees (if any) will not be refunded and administration fees will apply.

Participation Policies

Davis Arts Center is not responsible for unattended children on the premises. We do not assume responsibility if your child is dropped off early or picked up late. Please come into the building to confirm that your child gets to class. Davis Arts Center is responsible only for registered students. Parents are responsible for children brought onto the premises who are not registered in our classes.
