## Ceramics for Kids: Wheel Throwing

Ever want to try your hand at the potter's wheel? Learn the basic techniques of wheel throwing, learning to produce basic projects while becoming familiar with the terminology and techniques of clay. The small class size allows for personal attention from the instructor to foster success. This is an introductory wheel class, designed for students unfamiliar with wheel throwing. (Materials included)

AGES 10-13

Price: \$180

Tuesdays, 5:00-6:30 pm

- Session 1: 9/26-10/31 no class 10/17

## Weaving for All Ages

An individualized weaving class for all ages and skill levels. Beginners learn to produce simple weaving projects while becoming familiar with basic weaving terminology and techniques. More experienced students will work at perfecting their technique, using more complex looms and patterns with less step-by-step direction. Since there are many items to be made, classes may be taken more than once. Taught by Verena Borton. (Materials included)
